

ALEC COLE

*Computer Engineering Major
Mathematics Minor*

*After graduation:
I plan on joining the work force*

Valpo Experience

My favorite memory is all the nights spent getting a group of friends together. We would play video games, board games, or just hang out and make food. It's definitely the little things that make the experience so fun

Research

Embedded systems

Internship

Computer Consulting intern, E-gineering in Indianapolis

Honors and Awards

Deans list fall 2019

Extracurricular Activities

Ballroom Dance

E-Sports

Favorite Quote

Life before Death.

Strength before Weakness.

Journey before Destination.
