

MADELINE HORTON

*Computer Engineering Major
Spanish Major*

After graduation:

*I will be working in the Engineering
Development Program in Factory Automation
at John Deere in East Moline, IL.*

Valpo Experience

My favorite memories at Valpo are at the Hesse Center. From working as a tutor and clerical assistant to hanging out and studying for classes, the Hesse Center has been a second home to me these 4 years of college. I will always be grateful for the support and friendships it has brought me.

Internships

*Systems Engineering Intern - Rockwell Collins
Product Engineering Intern (Electrical Systems)- John Deere
Product Engineering Intern (Software Systems)- John Deere
Factory Automation Intern - John Deere Iberica (Spain)*

Honors and Awards

Hesse Endowed Engineering Scholar

Extracurricular Activities

*Ultimate Frisbee
SWE
VIEP (Spain)*
